## YOUR FEEDBACK IS INVITED

Dear Neighbour,

KCGM will be seeking approval to extend the waste rock dumping area southward over previously degraded land. A draft project plan has been prepared which describes this proposal, examines the likely environmental effects and the proposed environmental management practices.

We wish to invite you, as one of our near neighbours to take a look at the draft project plan we have prepared for this proposal. We would appreciate it if you could get back to us with any feedback regarding this plan by Friday the 10<sup>th</sup> December 2004.

### How Can I See the Draft Project Plan?

Copies of the draft project plan are available for review at the:

- Department of Environment (Kalgoorlie Office)
- William Grunt Memorial Library
- KCGM website - [www.superpit.com.au](http://www.superpit.com.au)

A printed or CD version is also available upon request from Michelle Birch on 9022 1338.

### Why Provide Feedback?

Feedback is an important way for you to provide information, express your opinions and put forward any suggestions for an alternative course of action. It is an opportunity for you to indicate any suggestions you may have to improve the draft project plan. All feedback received by KCGM will be acknowledged and any feedback may be quoted in full or in part in the final report.

### What Should be Included in Feedback?

You may agree or disagree with, or comment on, the general issues discussed in the draft project plan. It helps if you give reasons for your conclusions. Your feedback may make an important contribution by suggesting a better way to implement the project.

When making comments on the draft project plan please:

- state your point of view and attempt to list points so that any issues raised are clear;
- refer each point to the appropriate section in the draft project plan;
- suggest recommendations, safeguards or alternatives (if possible).
