KCGM Recognises Staff Excellence

The KCGM Annual Excellence Awards were presented at the Hannans Club on Wednesday, 7 December. The awards recognise individuals and teams for excellence in Continuous Improvement, Environment, Community Relations, Safety, Vital Behaviours, Volunteering and Core Values.

Ian Butler, KCGM General Manager, said the “Excellence Awards reflect KCGM’s focus on innovation, safety, and care for our community”.

“The number of people recognised makes me really proud to be part of an organisation where so many people are passionate about their roles; going over and above their normal duties,” Mr Butler said.

The event also provided an opportunity to reflect on some of the significant milestones KCGM achieved in 2016.

“KCGM has had a good safety performance this year with no Lost Time Injuries for over 2 million hours. The safety bonus associated with this milestone will be donated to a community group voted on by KCGM employees.

Our Inclusion and Diversity strategy has been implemented and already we are creating new and exciting employment opportunities within the community. “

There is a real focus at KCGM to look to the future. We’ve been working smart, fostering innovative ideas to increase production while keeping our costs low,” Mr Butler said.
