### KCGM Concentrate Delivery Truck Incident

At approximately 7:30pm on the 9<sup>th</sup> of January, a concentrate delivery truck travelling from the KCGM Fimiston Operation to the Gidji Operation, turned off the Goldfields Highway and onto the Gidji access road. On rounding the corner, the truck has left the road causing the second trailer (of three) to tip over and spill its load of non-hazardous product.

There were no other vehicles involved in the accident and the driver was uninjured. The Goldfields Highway was also unaffected. The scene has been secured so that the damaged trailers can be safely removed during the course of today.

KCGM is working with the relevant authorities and contractor to fully investigate the cause of the accident.
